Education

Software development and Embedded Systems Oct 2021 - Aug 2024
Rwanda Coding Academy, Nyabihu
We are a special model *school* incepted by the Government of *Rwanda* to teach Software Development, Embedded Systems Programming, and Cyber-Security.

Employment

Developer Jan 2023 - Jun 2024
Sangwa's community, Chigaco
We are on a mission to empower people with the software. We believe people have a lot to offer in terms of culture, knowledge, and experience. Our goal is to help showcase that to the world using software. We develop solutions for people, entrepreneurs, companies, and organizations

Team Lead Apr 2022 - Dec 2022
Street Bridge, Kigali
The Street Bridge Foundation is a youth-led initiative that rescues the kids from the perils of the streets. Pledged to the principles of love and humility, we mobilize resources to not only re-enroll them in school but also facilitate their re-assimilation into society by enhancing the economic well-being of their families.
